wef. 12 August 2021

**Standard Packaged Solution (ie. Minimum items to be purchased)**

Cost Item	Unit Cost (\$)	Unit	Quantity	Subtotal (\$)	Qualifying Cost * (\$)
1) Software Shell Telematics uses the latest intelligent and patented logging algorithms to identify position of vehicles and integrate with Shell Cards to gather performance and transaction data from the fleet. - Data is then turned into clear, actionable fleet intelligence that helps businesses improve their efficiency, productivity, safety and security. - Unit cost is for 12 months subscription of 1 device. For this package the calculation is for 30 devices.		per vehicle	30.00		
2) Hardware Shell Telematics device's accelerometer and its in-built gyroscope enriches the data with additional granularity by providing a real-time sense of the vehicle's orientation. This allows the hardware to - track and analyse vehicle movement more accurately, particularly on winding or bumpy roads (including harsh-event data (acceleration, braking, cornering, etc.) - reconstruct collision with in-depth, second-by-second breakdown of event - Unit cost is for 1 device. For this package the calculation is for 30 devices.		per device	30.00		
3) Professional Services The Shell Telematics hardware is non-intrusive in nature maintaining the integrity of the vehicle warranty by not needing to cut wires. - Our installation partner performs installations by using a harness where each device will be zip tied to keep it secure and prevent tampering - Unit cost is the service cost for 1 device. For this package the calculation is for 30 devices.  Training and guidance will be provided by our sales managers to customers at no charge		per service	30.00		
4) Training Not Applicable					
5) Others Not Applicable					
<b>Total</b>				<b>\$ 14,610.00</b>	<b>\$ 14,610.00</b>

<sup>1</sup> A higher upgrade of the software version is acceptable, for example solution version 3.x allow anything from 3.0 to 3.99999

<sup>2</sup> As specified in the Letter of Appointment, IMDA may exercise the option to extend the Appointment Duration for an additional one-year ("Extended Appointment Period")

\* Qualifying cost refers to the supportable cost to be co-funded under the grant
